Build Your Home Sukkah

Scripture says that on the 1st and 8th day of *Sukkot* we are to have a “holy convocation”. One of the things that makes this time of the year so joyous is the opportunity to build a home *sukkah* and then invite guests over for schmoozing. Everyone is encouraged to build a home *sukkah*, and attend as many evening get-togethers as possible during the Festival of Sukkot.
